YOUR PATH TO BEAUTIFUL SKIN

SKIN SOOTHING RELIEF GEL

Healing Botanical Recovery

Soothe, renew and heal your skin after sun exposure or laser treatments. This healing botanical recovery gel blends Aloe, Vitamin E and Sea Algae Extract to boost the healing of sunburned or irritated skin.

Key Ingredients:

Sea Algae Extract: This antioxidant derived from Hawaiian Red Sea Algae is abundant in natural moisturizers to help nourish the skin.

Aloe Vera: This extract boosts skin healing and soothes skin upon contact.

Vitamin E: This antioxidant has potent topical skin benefits. Encourages skin healing after trauma from laser treatment and sunburn.

Benefits of Skin Soothing Relief Gel:

- Promotes Rapid Skin Healing
- Soothes and Calms Sunburn
- Replenishes Essential Moisture
- Pampers Your Skin
- Soothes Laser-Treated Skin

How to Use:

After cleansing skin or immediately following laser treatment, apply generously to affected areas. Allow to remain on skin and repeat application 1-3 times as needed.

Next Step Product:

Vita•C Peptide Spray
