YOUR PATH TO BEAUTIFUL SKIN

DAILY SKIN CARE CLEANSERS

Essential First Step Products

These cleansers jump start your skin care routine by washing away impurities and setting the foundation for your skin to receive the vital nutrients from other treatment products. Formulated with hydrating, oil balancing and soothing botanicals, each cleanser will produce a remarkable improvement in skin texture and moisture level. All cleansers are soap-free, pH balanced and without irritating sodium lauryl sulfate.

Conditioning Makeup Remover: This hyaluronic acid-based make-up remover designed for your eyes and face, quickly and easily removes all traces of remaining make-up while replenishing essential skin moisture. This exclusive formulation uniquely conditions eyebrows, eyelashes and eyelids and daily use, smoothes skin texture and improves the appearance of dehydrated skin.

Chamomile Facial Cleanser: Chamomile extracts and algae peptides highlight this antioxidant moisture wash that gently removes impurities while soothing and hydrating skin. Daily use promotes softer, smoother skin and helps reduce the appearance of fine lines and surface dryness.

Lavender Creamy Cleanser: This creamy botanical vitamin wash with lavender aloe and Vitamin E, soothes skin irritations and replenishes moisture, leaving skin feeling ultra soft and clean. Extremely gentle and highly effective for removing facial make-up without stripping skin of essential moisture, it makes an ideal wipe-off style cleanser.

Salicylic Face & Body Wash: This refreshing cell exfoliating cleanser washes away dead skin cell debris, smoothing skin texture and minimizing the appearance of large pores. Formulated with the maximum strength available without a prescription of salicylic acid, this foaming wash soothes skin inflammation, calms acne breakouts and gently exfoliates dry, flakey skin.

Glyco-BP Face Wash: This foaming antibacterial botanical cleanser helps clear acne by gently exfoliating the skin's surface, helping to prevent future acne breakouts on the face and body. Formulated with 2% glycolic acid, 2.5% benzoyl peroxide and light moisturizers, daily use promotes clearer, acne-free skin.

5% BP Face & Body Wash: Formulated with healing and soothing botanicals burdock and fennel and antibacterial benzoyl peroxide to help clear pores, preventing future acne breakouts without irritating skin. Daily use of this gentle antibacterial blemish cleanser promotes clearer, acne-free skin.
