YOUR PATH TO BEAUTIFUL SKIN

ANTI-AGING SKIN CARE KITS

Advanced Skin Rejuvenation

Scientifically based and clinically proven, our anti-aging kits incorporate the most advanced ingredients in skin care: antioxidants, ceramides, algae and active peptides and salicylic acid. With superior ingredients in ideal levels that assure real, visible skin improvement, daily use helps diminish the effects of environmental aging while boosting collagen production, dramatically rejuvenating the appearance of your skin.

Anti-Aging Skin Care Kit

Kit Includes: Salicylic Face & Body Wash (54 ml pump) Ultra Firming Neck & Chest (15 ml jar) Ultra Firming Marine (15 ml jar) Lipid Drops (18 ml pump) Replenishing Sunblock SPF 36 (34 ml pump)

Step 1: CLEANSE - Salicylic Face & Body Wash - Formulated with 2% Salicylic Acid to optimally cleanse and exfoliate dry, dead skin cells. Twice daily use reveals a fresher, healthier glow.

Step 2: TREAT - Ultra Firming Marine - This collagen boosting antioxidant rejuvenates and firms skin's appearance, minimizing the appearance of fine lines and wrinkles. Formulated with Marine Algae Peptides, 15% Glycolic Acid and Indian Gooseberry Extract.

Step 3: TREAT - Ultra Firming Neck & Chest - This state-of-the-art lifting enhancement crème firms and tightens with innovative peptides and advanced skin moisture boosters. Formulated with antioxidants and botanicals that help strengthen skin's elasticity, daily use reveals a smoother, more youthful neck and chest area.

Step 4: HYDRATE - Lipid Drops - Clinically proven to increase skin smoothness! This rapid moisture replacement serum replenishes skin with essential ceramides and sphingolipids necessary for optimal skin hydration. Upon application, skin immediately feels baby-soft and smooth.

Step 5: PROTECT - Replenishing Sunblock SPF 36 - This state-of-the-art formulation is more than just a sunscreen! This light moisture antioxidant is loaded with exclusive botanicals that help prevent the breakdown of collagen and elastin and micronized zinc to help delay the signs of aging and prevent skin cancer. Ideal for daily facial wear and use around the eyes. Formulated for all skin types.

Anti-Aging Starter Kit

(Does not include Ultra Firming Neck & Chest)

Kit Includes: Salicylic Face & Body Wash (34 ml pump) Ultra Firming Marine (15 ml jar) Lipid Drops (18 ml pump) Replenishing Sunblock SPF 36 (18 ml pump)

Step 1: CLEANSE - Salicylic Face & Body Wash - Formulated with 2% Salicylic Acid to optimally cleanse and exfoliate dry, dead skin cells. Twice daily use reveals a fresher, healthier glow.

Step 2: TREAT - Ultra Firming Marine - This collagen boosting antioxidant rejuvenates and firms skin's appearance, minimizing the appearance of fine lines and wrinkles. Formulated with Marine Algae Peptides, 15% Glycolic Acid and Indian Gooseberry Extract.

Step 3: HYDRATE - Lipid Drops - Clinically proven to increase skin smoothness! This rapid moisture replacement serum replenishes skin with essential ceramides and sphingolipids necessary for optimal skin hydration. Upon application, skin immediately feels baby-soft and smooth.

Step 4: PROTECT - Replenishing Sunblock SPF 36 - This state-of-the-art formulation is more than just a sunscreen! This light moisture antioxidant is loaded with exclusive botanicals that help prevent the breakdown of collagen and elastin and micronized zinc to help delay the signs of aging and prevent skin cancer.
